Silicon Valley Power
Residential Rebate Application

Qualifications:

- Qualifying measures and rebate values are subject to change. Visit http://www.siliconvalleypower.com/rebates or call (408) 244-SAVE (7283) to verify your efficiency measure qualifies for a rebate **BEFORE** purchase or installation.
- When applicable, obtain necessary permit through the City of Santa Clara Permit Center. Please visit http://santaclaraca.gov/index.aspx?page=2447 or call (408) 615-2400. City of Santa Clara permit must have final approval (for requested measures only) in order to receive rebate.
- Qualifying products must be installed and operating in a residence receiving electricity in the City of Santa Clara from Silicon Valley Power.
- Offer is valid on new product sales only and until available funds run out.
- Silicon Valley Power reserves the right to verify both the new product sale/installation and (if applicable) the recycling of the old product before a rebate is issued. Approval is at the sole discretion of Silicon Valley Power.
- Application Form must be signed and postmarked within 60 days from date of purchase.
- Applicant must submit the signed Application Form with a copy of the receipt, paid invoice, or contract for the product being installed to:

SILICON VALLEY POWER – REBATE PROGRAM
1601 Civic Center Drive, Suite 102
Santa Clara, CA 95050

Please keep a copy of all documents submitted; documentation will not be returned.

Please Note:

- Rebate will appear as a one-time bill credit on the Silicon Valley Power portion of the City of Santa Clara Municipal Utilities bill. In the case of electric hot water heat pumps, the rebate will be paid by check after inspection of the product installation.
- Please allow 2 to 3 billing cycles from mailing date for the bill credit. If your bill credit has not been received after three (3) billing cycles, please contact SVP at (408) 244-SAVE (7283), Monday through Friday, 8:00 a.m. to 5:00 p.m., or email questions to cutcosts@siliconvalleypower.com.
- A bill credit will only be applied to active accounts. Landlords may participate for measures installed at properties located in the City of Santa Clara and receiving electricity from Silicon Valley Power.
- Discrepancies can invalidate the rebate application.
- Silicon Valley Power is not responsible for items delayed or lost in the mail.
- Silicon Valley Power disclaims any and all liability for any loss or damage which may arise as a result of the applicant's participation in this program, and makes no expressed or implied representation or warranty that the installation of the product will result in a reduction of your electric utility bill.
- Offer void where prohibited, taxed, or restricted by law.
- This program is subject to change or termination without prior notice.
- The rebate amount cannot exceed the purchase price of the product and does not include taxes or shipping costs.
- Rebates valid for purchases made with United States currency only.
