2012 Silicon Valley Power Energy Innovator Awards

www.siliconvalleypower.com

Eligibility:

Any business, academic, governmental or non-profit organization located and implementing energy efficiency, environmental, and green power programs in the City of Santa Clara.

The Silicon Valley Power Energy Innovator Awards honor both large and small organizations for their support of energy efficiency and renewable energy. Applicants may apply for more than one award.

The six awards (three each for companies/organizations with 200 kW demand or less and for those with over 200 kW demand) are:

Environmental Innovator: rewards organization for all-around efforts to support energy efficiency and renewable energy.

Energy Efficiency Partner: rewards organization for outstanding implementation of energy efficiency programs and application of SVP rebate programs.

Green Power Champion (renewable energy): rewards organization for innovative and successful green power purchases or implementation of other renewable energy programs.

Deadline

The deadline is Friday, March 8th, 2013; completed applications should be mailed to:

Mary Medeiros McEnroe Silicon Valley Power 1601 Civic Center Drive, Suite 102 Santa Clara, CA 95050

If you have any questions, please call (408) 615-5651 or email customerservice@svpower.com.

Winners will be selected in early April 2013 and presented with their awards at the Silicon Valley Leadership Group Energy Summit in May, 2013.

Confirmation of Receipt: Upon receipt of each application, SVP will send a confirmation by email to the address that is listed on the application. If you do not receive confirmation within two weeks of sending your application, please
